Dear Daddy: Sat. 11 PM

I just got your letter and card and I don't need anymore recommendation. Bill Bloom don't need to write to Gen. Persons, as I have the good recommendation of my commanding officer, and it will be up to the board of 3 men. The General could help me, but he don't interfere with the board in any way. I don't need Billy Partlow's letter now. I got also one from Sen. Tucker today. I am writing him today to thank him and Foots too! Write soon.

Love, Harold
